

May 2, 2011

Dear Distributor Partner:

As you are aware, Kimberly-Clark Professional* will increase prices up to 8% on Price Agreements effective **July 1st, 2011** on towel, tissue, wiper, napkin, air care and skin care products. Select items will increase more than 8%.

We continue to work to offset and absorb input cost increases by continually improving productivity and sourcing actions; but, unfortunately, these changes are necessary due to continued increases in pulp, recycled fiber, polymer and fuel costs.

Sincerely,

Rosena Martin
